Goats' milk is our primary skin care ingredient. Why?

It provides the full moisturizing effect of everything nature puts into it. Vitamin A - which reduces the effects of aging & helps prevent brown spots. Zinc - which contributes to the restoration of collagen fibers, encouraging moisture retention and lends support in maintaining your skin's elasticity. Vitamins B1, B6, B12, C & E, Minerals and a diversity of other nutrients that nourish and rejuvenate parched skin.

Our Mission

Our primary mission is to take you back to the grass roots of natural skin care. We aspire to educate, empower and inspire you to seek wellness, balance and beauty in your daily lives.

May you embody love, peace and abundant blessings on our rejuvenating journey.

Other Core Product Elements

Essential Oils: The natural by-product of plant metabolism, it is considered to carry the "essence," the soul of the plants they come from. Our selections were chosen for their therapeutic and aromatic benefits, blended with positive intention to impart maximum value from our products to your skin.

Herbs: A plant or plant part valued for its medicinal, savory or aromatic qualities. Like the earth in which they grow, they offer up their magnificence to deepen and expand beauty in our lives. They are the earth's gift to us to use with innocence and purity. Be rewarded by her bounty from our selections.

Shea Butter: Extracted from the nuts of the Shea-Karite tree native to South Africa, Shea butter nourishes the skin with Vitamins A, E & F. Vitamins A & E aids in maintain the skin, keeping it clear and healthy, while Vitamin F acts as a skin protector and rejuvenator. African healers have used Shea butter for thousands of years as the ideal treatment for dry or aging skin.

Aloe Vera: Aloe Vera is a great skin moisturizer that helps to keep the skin supple by bringing oxygen to the cells. Studies show that Aloe Vera improves the skin's ability to hydrate itself, aids in the removal of dead skin cells and has an effective, penetrating ability, that helps transport healthy substances throughout the skin.
